Colinas do Douro VERDELHO 2015

Production
9.000 bottles

Bottled in
2016

ANALYSIS
Alcohol content_13,3%
pH_ 3,18
Volatile acidity_0,30 g/L
Acetic acid,
total acidity_6,0 g/L
Tartaric Acid,
total sugars_0,6 g/L

Vintage report

Year of abundant birth of new shoots, with dry weather during the flowering period, resulting in relatively high productivity. The entire period of growth, until harvest, was extremely dry, which affected the photosynthesis in the vines, including interruptions of maturation. This resulted in small bunches, giving concentrated and aromatic whites, and structured, densely coloured reds.

Tasting notes

A bright straw-yellow wine, with notes of minerals, white flowers and Lemon Verbena. In the mouth it shows intense and unctuous, with a nicely integrated natural acidity.

Vinification and aging

Fermented during 20 days, in stainless steel tanks at 13/14°C. After fermentation this wine aged over the fine lees with batonage during 6 months.

Serving suggestions

Best served at a temperature between 9 and 12°C.

Area Verdelho vineyards
3 hectares, at na altitude
of 650 meters.

Soil
Transitional zone between
Granit and Schist.

Grape varieties
Verdelho
