VINTAGE REPORT 2014

Overall it was a cold winter with a very rainy growing season from April to July. Afterwards August was hot and dry, with the harvest period being affected by moderate-high precipitation.

TASTING NOTES

It has a bright greenish colour, with citrus and mineral aromas. On the palate it's crisp, elegant and with refined aftertaste.

VINIFICATION

Fermentation in stainless steel tanks, for 30 days at 15°C degrees.

SERVING

Should be served between 11/12°C degrees celsius.
