ALCOHOL  
13,5%

## VINTAGE REPORT 2013

Moderately dry winter and rainy spring, from which March was the wettest from the last 50 years. Summer was hot and extremely dry, with important precipitation occurred on the 5th September, (10mm) that softened the water-stress of the vines.

## TASTING NOTES

Intense ruby colour, delicate red fruit aromas, on the palate is elegant, with round and soft texture. It has a good persistency and nice balance.

## VINIFICATION

Fermentation in stainless steel tanks, for 12 days at 24/25°C degrees.

## SERVING

Should be served between 14/16°C degrees.
