VINTAGE REPORT 2013

Moderately dry winter and rainy spring, from which March was the wettest from the last 50 years. Summer was hot and extremely dry, with important precipitation occurred on the 5th September, (10mm) that softened the water-stress of the vines.

TASTING NOTES

Intense ruby colour, deep ripe red fruit aromas, with a hint of vanilla and spices from well integrated oak. On the palate is succulent with moderate acidity and firm tannins. It is harmonious and prolonged.

VINIFICATION

Fermentation in stainless steel tanks, for 12 days at 24/25°C degrees. Aged for 6 months in 225L used barrels of French oak.

SERVING

Should be served between 15/16°C degrees celsius.
